September 2025 | Issue -1

Welcome to ICONN SPOTLIGHT, the CII CIES (CII Centre of Excellence for Innovation, Entrepreneurship, and Startups) Newsletter, a curated platform to spotlight the groundbreaking innovations emerging from startups affiliated with CII CIES.

This edition spotlights **EnterpriseTech** startups driving change across automation, workforce management, cloud optimization, voice tech, and more. Each solution showcased here addresses real-world enterprise challenges with bold thinking and practical execution.

The purpose of this newsletter is to showcase the cutting-edge solutions being developed across sectors, offering industry stakeholders a window into the transformative work happening at the grassroots of India's startup ecosystem.

CII CIES Startup Affiliation Programme certifies growth-stage startups through rigorous **expert evaluation**, granting a **24-month affiliation** that connects them to CII's network of **9,500+ corporates**, investors, policymakers, and global partners.

This certification enhances credibility and opens access to **market opportunities**, international delegations, policy roundtables, and exclusive corporate networks, accelerating growth and impact.

Affiliated startups also gain monthly opportunities to showcase their solutions to corporates and investors through the **360° Pitching Series**.
